Who can participate?

All applications are subject to approval by The Big Red Wagon. Only organizations that meet the following guidelines will be considered:

- The organization must be an established group with a clearly defined purpose. These types of organizations include schools, charities, educational groups, religious and youth groups, sports teams, boy scouts, girl scouts, etc.

How Fundraiser Clean Out works?

1. Have the members of your group gather all the gently used and new kids and maternity items they no longer need or use.
2. The organization leader must contact The Big Red Wagon to register your organization. At this time, you will be given a Code for all of your families to use when registering.
3. Each family must register as a Seller at www.thebigredwagon.com. MAKE SURE THEY PUT THE ORGANIZATION CODE IN THE "REFERRED BY" FIELD. Otherwise, we will not know they are part of the group.
4. Each family is responsible for pricing, tagging, and dropping off the items they would like to sell.
5. At the end of the sale, the family would receive 50% of their total sales and the organization would receive 15% of their group's total sales.

6. If the organization can fill at least **five**, 3 hour volunteer shifts, the organization will receive 25% of their group's total sales rather than 15%.
7. Any family that volunteers for one, 3 hour work shift, will have their \$25.00 Seller fee waived and receive 2 Preview Sale Passes.
