

Fundraiser Program

Kids' and Maternity Consignment Sale

THE BIG RED WAGON FUNDRAISER PROGRAM

Is your school or 501(c)(3) organization looking for a simple and profitable way to fundraise? The Big Red Wagon Kids' and Maternity Consignment Sale offers an exciting program that will help your school or organization do just that! Now your organization and the families that participate can earn extra money!! Here is how it works:

1. Have the members of your group gather all the gently used kids and maternity items they no longer need or use.
2. The organization leader must contact The Big Red Wagon to register your organization. At this time, you will be given a Code for all of your families to use when registering.
3. Each family must register as a Seller at www.thebigredwagon.com. MAKE SURE THEY PUT THE ORGANIZATION CODE IN THE "REFERRED BY" FIELD. Otherwise, we will not know they are part of the group.
4. Each family is responsible for pricing, tagging, and dropping off the items they would like to sell.
5. At the end of the sale, the family would receive 50% of their total sales and the organization would receive 15% of their group's total sales.
6. If the organization can fill at least **five**, 3 hour volunteer shifts, the organization will receive 25% of their group's total sales rather than 15%.
7. Any family that volunteers for one, 3 hour work shift, will have their \$25.00 Seller fee waived and receive 2 Preview Sale Passes.
